Sütmaksan Tarım company was established in 2010 in Bursa as a small workshop to produce hoses for milking machines. Our company has continued its production adventure, which it started in this direction, by increasing its product range in line with the advancing years and increasing experience.

Our company, which increases its product range by investing in machinery and molds day by day, currently produces 80% of the products and spare parts on the milking machine within its own structure.

Our company, which operates in all areas including PVC-Plastic-Rubber-Metal parts, has started to produce livestock equipment as well as milking machines with its well-known brand as of 2024.

Our company, which has continued on its path with determined steps since the day it was founded, has reached 200 sales points in Turkey and has become a company that exports directly to 30 countries around the world.

Customer satisfaction and quality are among the most important values for our company, and it invests in quality and satisfaction every day

Suitability of product and documentation to the directive and standards are under the responsibility of the company. However, in case the product is subject to more than directives and standards which are mentioned above when the company fulfills conditions of other directives and standards, then it can attach CE conformity marking and arrange conformity declaration. This attestation has been issued as per company required. This attestation does not abrogate the compulsory obligation of the manufacturer to issue the declaration of conformity.

Integra96, yukarıda bahsi geçen firmanın ürününe ilişkin sunduğu dokümantasyonu yukarıda belirtilen referans yönetmelik ve / veya standartlara göre incelemiştir. Yönetmeliğe ve standartlara göre ürünün ve dokümantasyonun uygunluğu firma sorumluluğundadır. Ürünün diğer ilgili yönetmelik ve standartlara tabi olması durumunda diğer yönetmelik ve standartların şartlarını da firma yenne getirdiğinde yukarıda belirtilen CE uygunluk işareti ürün üzerine iliştilir ve uygunluk beyanı düzenleyebilir. Bu onay firmanın isteği üzerine verilmiştir. Bu onay üreticinin uygunluk beyanı düzenleme zorunluluğunu ortadan kaldırmaz.
